

## THE INSTALLER'S PACK

- Award winning TF1 Total Filter's unique action removes magnetic and non-magnetic contaminants
- Easy to fit and clean – the TF1 makes servicing simple
- Fernox Express doses via the TF1 in 30 seconds to save time spent on-site
- No need to drain down the system with Fernox Express
- Fernox best in class for innovative design, formulations, and applications
- As with all magnetic products, if you have an implanted cardiac device extra caution should be taken at all times when handling any Fernox TF1 filter

### Product Description

Fernox has packaged together the ultimate three-stage approach to protect against corrosion, limescale build-up and system breakdown. The pack contains 1 x Fernox TF1 Total Filter, 1x Fernox Cleaner F5 Express and 1 x Protector F1 Express providing the complete solution to cleaning and protecting a central heating system.

### Product Specification

Protector F1 Express 265ml

- Protects against corrosion and limescale
- Maintains system efficiency

Cleaner F5 Express 280ml

- Removes sludge and scale and restores heating efficiency
- Removes flux residues and other debris

TF1 Total Filter 22mm or 28mm

- Hydrocyclonic and magnetic in-line filter
- Corgi award winning product
- Cleaned in seconds without removal or disassembly
- Unique action, removes magnetic and non-magnetic contaminants

Product codes 22mm **59998** 28mm **60009**
